

**COLLEGE OF ENGINEERING
UNIVERSITY OF NEW ORLEANS**

Faculty Position in Naval Architecture and Marine Engineering

The University of New Orleans is seeking applications for an Assistant Professor tenure track position in the School of Naval Architecture and Marine Engineering. Professors of other ranks will also be considered. The candidate should have earned a doctorate in NAME, or a closely related field. Expertise is sought in any of the traditional NAME disciplines, but particularly in marine structures and marine design/production.

The UNO College of Engineering is very strong in research funding. The successful candidate is expected to have strong potential for engineering-based research in the field of naval architecture and marine engineering.

Send letter of application, resume, and three letters of recommendation to:

Dr. Russell Trahan, Dean
c/o Jill Marquis
University of New Orleans
College of Engineering
New Orleans, Louisiana 70148

Applications will be accepted until the position is filled. The University of New Orleans is an Affirmative Action/Equal Opportunity Employer. Women and minorities are encouraged to apply.
