

CALL FOR CONTENT

DEADLINE EXTENSION TO FEBRUARY 11

Abstracts for SMC 2022 are invited and now due February 11.

The 2022 SNAME Maritime Convention (SMC 2022) will take place in person on 27 - 29 September 2022 in Houston Texas, USA.

Your input and ideas are needed for this premier event for the international community of maritime and ocean professionals. The seven Faces of SNAME include:

- **Educators/Researchers**
 - **Engineers/Designers**
 - **Manufacturers**
 - **Shipbuilders**
 - **Operators**
 - **Recyclers/Salvors**
- and Students**

Together, they make up one of the strongest cross-functional organizations in the maritime community.

For SMC 2022 we are seeking content that speaks to the Faces of SNAME and industry-leading developments across our industry, in areas including:

- **Green Energy and the Environment**
 - *Examples include: renewable energy and storage, zero emission transport*
- **Industry Trends and New Technologies**
 - *Examples include: fluid-structure interaction, autonomy, digital twin, next generation propulsion*
- **Marine Accidents/Forensic Analysis**
- **Marine Design**
 - *Examples include: advanced ship design tools, hydrodynamics, structures*
- **Marine Engineering**
- **Maritime Engineering Education**
- **Maritime Operations**
- **Maritime Safety**
- **Offshore Industries**
- **Ship Production/Repair Technology**

Note that example subtopics are given and encouraged, but topics that do not fall under these topics will still be considered for SMC.

SMC's interdisciplinary approach is one of its strengths, allowing both authors and attendees to benefit from a broad exchange of ideas.

For all types of maritime or offshore business, geographical location, and professional activity, the SNAME Maritime Convention is your opportunity to interact with colleagues from all over the world, and from all segments of the industry.
